

Compliance **HR**

# Simplify the Complexity of Employment Law

ComplianceHR offers self-service solutions that empower HR professionals, compliance teams, and attorneys to treat their workforce fairly while minimizing associated costs.

## Meet the Suite

Employers face an ever-changing and complex legal environment. More than ever, it's essential to stay compliant due to the increasingly complex state and federal employment regulations. With ComplianceHR's Navigator Suite, you can rely on cost-effective, expert guidance that's easy to navigate and delivers helpful guidance in minutes.

### PolicySmart™

Effortlessly create and maintain an up-to-date and legally compliant employee handbook

### Navigator Independent Contractor

Immediately mitigate your risk of independent contractor misclassification

### Reference Center

Easily answer your compliance questions and locate content on several employment law topics

### Document Center

Efficiently generate state and federally compliant documents throughout the employee lifecycle

### Navigator Overtime

Quickly and compliantly determine whether an employee is exempt or non-exempt
